

A Vision of Grace

Christian Education's mission is to create educational opportunities that develop and nourish our growth as disciples of Christ. And we are doing it with *Grace!*

Discover Grace

These classes are offered to those in the church who never had the basics of Christianity, those who are looking for a refresher course, and particularly, to those outside our church who have questions about God and faith. An example of this type of class is *Beginnings* starting September 1 at 5:30 p.m.

Grow in Grace

These classes further the discipleship process as we grow deeper in our relationship with God. It is here that your thirsty soul will be replenished. Many of the classes at Valley fit under this category. Examples are *Retreats*, *Sunday Morning Class*, *Men's and Women's Bible studies*.

Live Gracefully

These classes answer the question: As a growing disciple of Christ, how do I live that out in my life and out in the world? Such classes would include social justice issues, ethics, talking about faith to others. Look for our *Spiritual Gifts* class starting in October. This class will help you discover your spiritual gift and where to use it in ministry.

Current class offerings are listed in each month's Valley Voice. These learning opportunities are part of the **Oasis of Grace** at **Valley**; where disciples of Christ can learn, grow and share the *Good News of the Gospel*.
